

WELCOME TO ICELAND

Terra Nova Iceland is a leading incoming tour operator in Iceland with over 30 years of valuable experience in the market. Terra Nova is a part of the Primera Travel Group in Scandinavia. Terra Nova Iceland is a whole selling company and through partners abroad we produce and operate the whole range of travel possibilities in Iceland.

We organise:

- Group Tours
- Fly & Drive
- City Breaks
- Incentives & Meetings

GROUP TOURS

Terra Nova Iceland offers a broad spectrum of group tours. The majority of our tours are tailor-made to fit our customers' needs at each time. We offer private guided tours in many languages including English, German, French, Spanish, Italian, Danish, Norwegian, Swedish, Finnish, Czech, Dutch, Polish, Russian and more.

Hotel Tours

Bus tours with accommodation in hotels, farms or guesthouses, with or without private facilities, depending on the wishes of each client. The emphasis is on classic sightseeing that allows you to experience both the nature and the culture of Iceland, travelling in a comfortable way.

Highland and Hiking Tours

These tours take you into the desert highlands of Iceland and also include other regions. You will experience the untouched nature of the interior region on foot and by bus. Iceland is ideal for hiking and the level of difficulty can be adapted to each group. The accommodation is usually in mountain huts, schools and/or youth hostels.

Special Interest Tours

We are happy to create and/or adapt tours according to the special interests of our clients. We organise for example nature observation tours such as bird watching or geological tours, photography tours or horse riding tours as well as history based tours along the trail of the Icelandic Sagas.

INDIVIDUAL TOURS

Fly & Drive

Fly & drive packages are getting more and more popular in Iceland. We provide the rental car, pre-booked accommodation of different categories, Iceland road map and a comprehensive route description with suggestions of excursions and visits. This is a great way to get to know Iceland on your own.

City Breaks

City breaks allow you to discover different sides of Iceland as you visit the city and explore the main attractions nearby. We make all the necessary arrangements for our clients to enjoy everything Reykjavik has to offer and to choose from the various excursions available from Reykjavik. We also provide an outstanding selection of different types of accommodation in the city to suit everyone.

INCENTIVES & MEETINGS

Iceland is a great choice for incentive trips with its amazing landscapes and an extraordinary selection of activities. We offer for example super-jeep and self-drive tours, snow scooter races, quad tours, glacier walking, ice climbing, golf, caving, river rafting, snorkeling, sea angling and many more. Fun-filled teambuilding activities of all sorts and cultural activities are also available to spice up the day.
